

CHECK OUT WHAT'S NEW WITH REWARDS!

As of 01/01/2024 if you or a member of your household has earned a reward for having medical care performed at a **Fair Price™** facility you will now receive a debit card in the mail. The debit cards will be replacing the paper reward checks you may have received in the past. If you have previously received a check, it is still valid up to 120 days from the issued date and should be cashed or deposited.

Benefits of using a debit card:

- Convenience and Security
- Faster access to cash
- No checking account required

To earn a reward shop for your procedure using **Healthcare Bluebook** prior to scheduling. Use a **Fair Price™** facility for your care and you could earn up to a \$100 reward on eligible procedures. It's that easy!
